Advertising format

Supplier advertisement

A supplier's advertisement does not contain price offers. It may contain either advertising announcement or one or more products from our assortment. We want it to be Martin & Servera's article number. There are two advertising formats: full page and back page. Add a reference in the advertisement to our website for pricing information.

Example: "Se ditt pris på martinservera.se"

Materials

Please send completed advertising materials as open, high-resolution pdf-files, no bleed and no crop marks. Upload completed materials through the supplier portal:

Editorial article in Den goda måltiden

Your own editorial article should contain general interest to the public sector. It should have an appealing story, which will form the basis for the article. We make an initial assessment of the submitted material and then get back to you if it needs to be supplemented.

We need your logo and 1-3 pictures to illustrate the text. We expect the completed text material in a Word-document. All pictures need to be high-resolution (300 dpi) in jpg format and your logo in eps-format.

Please send the material to the marketing department,
